Chapter 88: Summary of the Clones Lesser Absolutes' Troops:

1. Umbraxis' Armies (Shadow Realm, Umbralis):

Shadow Sentinels: 200 Quintillion – Backbone of Umbraxis' forces, born from pure shadow.

Ebon Knights: 150 Quintillion – Elite shadow warriors, skilled in combat with dark matter armor.

Spectral Reapers: 175 Quintillion – Ghostly entities with necromantic abilities, manipulating time and space.

Abyssal Titans: 100 Quintillion – Massive shadow beings, unmatched in physical strength.

Total Forces: 625 Quintillion.

2. Drakonar's Armies (Draconis Eternus):

Dragon Lords: 50 Quintillion – Powerful draconic leaders, wielding fire magic.

Flame Wyrms: 60 Quintillion – Agile, fire-infused winged creatures, scouts, and shock troops.

Molten Behemoths: 75 Quintillion – Gigantic magma-based creatures, used as siege engines.

Ember Hordes: 85 Quintillion – Molten rock warriors, ferocious in battle.

Total Forces: 270 Quintillion.

3. Vexillan's Armies (Umbra Vexus):

Void Sentinels: 400 Quintillion – Elite warriors with unmatched stealth and speed.

Shrouded Knights: 350 Quintillion – Armored knights with enchanted weapons, unrivaled in combat.

Shadowborne Reapers: 375 Quintillion – Ethereal entities, draining life force from enemies.

Dark Colossi: 200 Quintillion – Towering giants of shadow, crushing entire battalions.

Total Forces: 1.325 Quintillion.

4. Aetheron's Armies (Draconis Aetheris):

Storm Drakes: 75 Quintillion – Creatures with wind and fire powers, leading Aetheron’s forces.

Blaze Guardians: 90 Quintillion – Fire-wielding warriors, protectors of the army.

Emberborn Titans: 100 Quintillion – Colossal flame and ash beings, heavy artillery.

Windfire Legionnaires: 150 Quintillion – Soldiers mastering both fire and wind elements.

Total Forces: 415 Quintillion.

In total:

Umbraxis' Army: 625 Quintillion

Drakonar's Army: 270 Quintillion

Vexillan's Army: 1.325 Quintillion

Aetheron's Army: 415 Quintillion

Vexillan's forces are the most numerous, while Drakonar's army is the smallest. Umbraxis' and Aetheron's armies are large, but still fall behind Vexillan's overwhelming numbers.
